DETAILED ACTION

1. Claims 71-90 are allowed.

Reason for allowance

2. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or suggest, individually or in combination, marking the preexisting independently created digital data with the grading results in at least one form without changing and without accessing the preexisting independently created digital data and without user interaction; wherein a first digital receiver dynamically accesses the mark of the preexisting independently created digital data without accessing the preexisting independently created digital data to determine suitability for subsequent use of the preexisting independently created digital data; and whereby a different digital receiver without user interaction can independently determine suitability from the mark for another subsequent use of the preexisting independently created digital data without accessing the preexisting digital data, in light of other features described in independent claims 71 and 81.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
